Great Debates and Updates in Inflammatory Bowel Disease

San Francisco, CA – It is our great pleasure to invite you to the Great Debates and Updates in Inflammatory Bowel Disease meeting occurring in San Francisco, CA.

This exciting educational activity will focus on controversial areas in the management of patients with IBD as nationally-recognized thought leaders take opposing sides on topics of interest to physicians and their patients. Using didactic presentations in conjunction with lively debates and case-based discussions, this day and a half conference will give practicing clinicians a thorough analysis of all currently available and emerging data.

Guided by an interactive format, Great Debates and Updates in Inflammatory Bowel Disease will not only provide a comprehensive overview of the most significant advances in the treatment of IBD, but will also leave attendees with valuable take home information.

The newest information on treatment management, clinical research, and disease biology will be presented. As IBD research and treatment is ever-evolving, this comprehensive focus on the multimodal management of IBD is sure to be a rewarding educational experience. We hope to see you there!
