

MEETINGS CALENDAR

October 14-19, 2016

American College of Gastroenterology Annual Meeting

The Venetian, Las Vegas, NV – Excellent faculty and a clinical focus make the ACG Annual Scientific Meeting and Postgraduate Course the premier GI clinical event of the year. Network with your peers, share experiences from your practice, and get unparalleled access to faculty for in-depth discussions on a broad range of cutting edge topics for the GI physician. The ACG Annual Scientific Meeting offers you:

- The latest clinical information on key topics for the GI physician
- Plenary sessions and poster sessions that showcase research and provide a wealth of patient-related clinical data and experiences
- Trainees' Forum that allows young physicians to explore career opportunities
- Industry exhibitions featuring the latest advances in gastrointestinal technology and therapeutics

December 8-10, 2016

Advances in Inflammatory Bowel Diseases Crohn's & Colitis Foundation's Clinical & Research Conference

Orlando, Florida – The 2016 Advances in Inflammatory Bowel Diseases Crohn's & Colitis Foundation's Clinical & Research Conference is a three-day event designed to meet the educational needs of healthcare professionals and researchers who study and manage patients with inflammatory bowel diseases.

Clinicians will gain practice-changing knowledge which can be implemented immediately. Researchers will stay abreast of the vastly changing scientific landscape. A focused nursing agenda will empower nurses and allied healthcare providers to develop best practices in multidisciplinary IBD patient care.

From education to networking, this conference provides everything you need.

"By far, the best IBD conference around!" – 2015 AIBD conference attendee
